

GOAL

The certification curriculum for the commissioned security officer will provide the basic understanding of the laws and roles of the officer and enable him with the basic skills needed to perform his duties effectively.

OBJECTIVES

Understanding of pertinent laws and regulations
Field Note taking and report writing
Securing Crime scene
Awareness skills enhancement
Emergency situation response
Non-physical conflict resolution
Defensive tactics
Restraints
Firearm training

TERMINAL OBJECTIVE

Upon completion of this course along with the prior training curriculum for level I and II, the Level III officer should have the basic understanding and skills needed to perform his job at a level that is acceptable to the state and employers at a professional level.
